## ASKED TO END WAR.

President Has Made Formal Request of Belligerents.

## NOTE SENT EACH ONE

Before Communicating With Powers Chief Magistrate Had Assurances That Such Action Would Be Acceptable.

Washington, June 10.—A note, the text of which was given out by authority of the president, was made public at the white house late Friday night by Secretary Loeb. It has been forwarded to the governments of Russia and Japan. In the interest of humanity, President Roosevelt urges the warring nations to come to peace. The note asks that negotiations for peace be conducted between the belligerents. It indicates a belief that an intermediary may not be necessary to effect conclusive negotiations but likewise expresses the willingness to do all in the president's power to promote the preliminary arrangements for a time and a place for the meeting of the representatives of the Russian and Japanese governments. The following is the text as given out:

"On June 8 the following dispatch was sent by the president through diplomatic channels to the Japanese and Russian governments:

"The president feels that the time has come when the interest of all mankind must endeavor to see if it is not possible to bring to an end the terrible and lamentable conflict now being waged. With both Russia and Japan the United States has inherited the ease of friendship and good will. It hopes for the prosperity and welfare of each one. It feels that the progress of the world is set back by the war between these two great nations.

"The president accordingly urges the Russian and Japanese governments for their own sakes and for the interest of the whole civilized world to open direct negotiations for peace with one another. The president suggests that these peace negotiations be conducted directly and exclusively between the belligerents; in other words that there be a meeting of Russian and Japanese plenipotentiaries or delegates without any intermediary. In order to see if it is not possible for these two representatives of the powers to agree to terms of peace. The president asks that the Russian and Japanese governments do now agree to such a meeting and is asking the (Japanese- (Russian) government likewise to agree. While the president does not feel that any intermediary should be called in, in respect to the peace negotiations themselves, he is entirely willing to do what he properly can if the two parties concerned feel that his services will be of aid in arranging the preliminaries as to the place and time of meeting, but if even these preliminaries cannot be arranged directly between the two powers or in any other way, the president will be glad, as his sole purpose is to bring about a meeting which the whole civilized world will pray may result in peace."

The note is rendered significant by the fact that it was prepared and sent only after assurances had been received from Tokio and St. Petersburg that such a proposition would be welcomed.

### Have Been Interned.

Washington, June 10.—Rear Admiral Train has reported to the navy department that the Russian ships at Manila have been interned.

### DIAMOND PRESIDENT.

Resolutions Adopted Favor Admission of Oklahoma to Statehood.

Guthrie, June 10.—National Editorial association selected Indianapolis for next place of meeting. Following officers were elected:

President, John Drumond, New Orleans; first vice president, J. E. Junkin, Sterling, Ky.; second vice president, H. B. Varney, Lexington, N. C.; third vice president, L. G. Niblack, Guthrie, O. T.; corresponding secretary, W. S. Hasbrook, Johnstown, O.; recording secretary, J. W. Cochrum, Maitland, Ind.; treasurer, J. I. Steele, Ashland, Pa. The convention adjourned Friday afternoon and the delegates left Guthrie on a trip, during which they will visit Portland, Ore., Texas and California. Resolutions were adopted for admission of Oklahoma as a state.

### Editor Expires on Train.

Marshall, Okla., June 10.—G. P. Wright, editor of the Hinsdale (Ill.) Republican, died on the first division of the editorial special train near here. He was suddenly taken sick and soon died. Mr. Wright, who was accompanied by his daughter, was seventy years old.

### Suspended From Duty.

Washington, June 10.—E. S. Holmes, Jr., assistant statistician of the department of agriculture, has been asked to suspend from duty during the investigation of charges against him of irregularities in the compilation and publication of the last cotton report. This request has been granted. The investigation of charges made by Richard Cheatham, president of the Southern Cotton Growers' association, is under way. Secretary Wilson has determined not to disclose the names of the experts who will conduct the investigation.

## INTEREST OF BRITISH

Cordially Support Taken by American Executive.

## INDEMNITY AMOUNT.

Financial Circles at London of the Opinion That the Mikado Will Demand at Least One Billion Dollars.

London, June 10.—The keenest interest is manifested in President Roosevelt's not endeavoring to bring Japan and Russia to an understanding. While the British are not taking any part in the negotiations they are giving the most cordial support to the president, whose actions in the matter this nation has been kept fully informed of. Diplomatic and official circles speak in the highest terms of the diplomatic manner in which the president has handled the matter, and fully accord what they considered will be the only way in which the difficulty can be overcome. The United States not being entangled in any way, is really the only country which could take action, but even President Roosevelt could not do more than endeavor to start direct negotiations between the belligerents. Japan, it can be stated, refused to start negotiations until fully assured of the earnest necessity of Russia, and her proposals would be seriously considered. Her demands include indemnity, the amount of which is thought to have been fixed by the Japanese government, and on this point the president is urging lenient treatment. It is considered here that Japan is entitled to an indemnity and it is pointed out that while the payment of the indemnity might affect the standing of Russia among the powers, it would not be so serious as the loss of territory; beside, the payment of indemnity would be forgotten sooner than the loss of territory and leave no feeling for revenge. Financial circles in London are of the opinion the Japanese will demand an indemnity amounting to about \$1,000,000,000, that being their estimate of the cost to the Japanese of sixteen months' fighting. This is considered in some quarters to be too large an estimate, the expenditure being thought to be nearer \$600,000,000.

### PEACE POSSIBILITY.

Radical Russian Press is Taking Advantage of the Situation.

St. Petersburg, June 10.—The radical press which hounds the government, no matter which way it turns is seeking to take advantage of the new situation created by the possibility of peace. Although for months it has been preaching peace and abandonment of the whole Manchurian adventure at any cost it has already veered around and pretends to be horrified at the fact that Russia can contemplate the possibility of surrendering her position on the Pacific and purchasing peace at the price of indemnity after the sacrifice of millions of money and thousands of people's lives, and declares that only the people shall decide whether the country shall submit to this humiliation. These tactics will produce all the more effective result, since so far as the indemnity goes, the radical papers undoubtedly reflect the view of the masses of the Russian people as well as those prevalent in official circles. The status of Vladivostok and question of indemnity are sure to be the main obstacles to an agreement once the belligerents are brought together, but the crisis for which the solid elements of the opposition are waging war against the government and trying to precipitate trouble constitutes the chief danger. Solemn words such as these uttered by the Moscow zemstvoists and mayors of the principal cities who joined with them in all the Russian zemstvo congresses cannot be lightly thrust aside, although the government is getting accustomed to hard words. The organization known as the League of Professional Leagues Friday at Moscow threatened to translate their words into acts unless the government yielded and resolved not only to inaugurate a strike of all professional classes, but arm in self-defense. They also bound themselves notably at political trials, and provide for each other's families, in case any members suffered arrest or exile. Months ago M. Witte, president of the committee of ministers, said to a correspondent of the Associated Press: "There will be no internal crisis while the war lasts. The crisis will come when the war ends." His words seem like a prophecy.

### FORTY SLAIN.

Leader of Insurrection and Thirty-Nine Followers Are Killed.

Manila, June 10.—Enrique Daguhob, the leader of the insurrection movement in the Island of Samar, was killed together with thirty-nine of his followers June 4, according to a dispatch just received.

### MUSIC CLASS RECITAL.

Pupils of Miss Sue McLelland Give a Fine Entertainment.

Pupils of Miss Sue McLelland's music class gave a fine entertainment at the opera house last night, closing the year's work, which has been highly satisfactory. The program included twenty-two numbers, vocal and instrumental, and was varied with both classical and humorous selections, and from solos to class choruses. The audience was greatly delighted with the recital, which gave evidence of ability and application on the part of the pupils and careful training by the teacher.

Those taking part in the concert were: Ruth Boatwright, Evelyn Sanders, Sadie Batte, Lillie Reed, Louise Batte, Bessie Abercrombie, Madeline Knox, Bennie Searcy, Annie Searcy, George Tabor, Helen DeMaret, Ira Maud Camp, Lillian Batte, Annie Belle Batte, Lucile Reed, Lurline Houston, Tommye Crane, Lena Searcy, Hattie Searcy, Lucile Batte, Mary McInnis, Ruby Reed, Willie McDougald, Lucile DeMaret, Lucile Christian, Bertie Suber, Blanche Buchanan, Tot Jenkins, Norris Tabor, Mary Evans, Pearl Kern, Fannie Lou Brogdon, Bessie Buchanan, T. C. Nunn Jr., Elmer Crane, John Newton.

### REPORT INCORRECT.

One Hundred Persons Were Not Shot During the Recent Rioting. Minsk, Russia, June 10.—The report published in a London newspaper that 100 persons were shot during rioting recently, is incorrect. There was a street riot here Thursday on Cathedral square between soldiers and Jews. It was provoked, according to officials, by a theft of a purse from a soldier off duty. His comrades beat the Jew, whereupon a crowd of about 600 of the latter's co-religionists gathered to rescue him. The Jews used stones and revolvers and troops were summoned. They fired into and dispersed the crowd, with the result that one Jew was killed and twenty wounded and a soldier shot. The chief of police sustained a wound on his head by a flying missile and one cavalryman was severely wounded.

Agreeable to Japan.

Tokio, June 10.—Japan has agreed to President Roosevelt's suggestion to appoint plenipotentiaries to meet Russian plenipotentiaries.

### FATAL TRAIN WRECK.

Engineer and Fireman Dead as Result of Freights Colliding.

Dallas, June 10.—By the collision of two freight trains Friday afternoon on the Texas and New Orleans railroad, near Stockard, nine miles from Athens, from an unknown cause, Engineer Joseph E. Brown of Dallas and Fireman M. C. Carter of Lovelady lost their lives. Brakemen T. P. Young and Ed Bass were injured. Fireman Carter was instantly killed in the crash of locomotives, while Engineer Brown was so badly crushed that he died near the scene at 5:20 o'clock.

### LEFT THE TRACK.

Was Making a Mile a Minute, but No Person Seriously Hurt.

Texarkana, June 10.—Passenger train No. 6, northbound, on the Iron Mountain, which left here at 4 o'clock Friday afternoon, left the track nine miles out, at McKinney bayou, near Mandeville, while going at a speed of sixty miles an hour. The tender, mail, express and baggage cars and two day coaches were completely wrecked.

One sleeper and one dining car, which also left the track, were badly damaged. One sleeper on the extreme rear end was the only thing of the entire train, except the engine, that remained on the track, and was not damaged.

### Come Together.

Shreveport, June 10.—A Kansas City Southern passenger train collided with a Texas and Pacific passenger train in West Shreveport. The locomotive of the first named train struck the baggage and express car about midway, crushing in the side of the car and overturning it, badly bruising the baggage man, who was thrown down by the force of the collision. The Kansas City Southern locomotive was badly dented and broken and left the track.

### PAUPERS STRIKE.

Told That They Must Behave or Would Be Put on Rock Pile.

New York, June 10.—Considerable merriment was caused by strike of paupers on a county farm just outside the city. The men detailed to act as bakers organized and elected a walking delegate, who notified the county board in charge of the institution that his fellows would not knead the alms-house dough until their names were put on the payroll with the attendants and other employees.

The delegate explained to the committee that the bakers were entitled to pay because, unlike many other paupers, they do not desert the institution during the summer months to recuperate at the sea shore and in the mountains, but remain at their duties in the bake shops and work faithfully for the county. The committee rejected the demands and informed the strikers that they would be put to work in the stone quarries if they did not return to work in the bakeshops.

### CHINESE RESTRICTED.

El Paso Celestials Denied the Privilege of Crossing Rio Grande.

El Paso, June 10.—El Paso's Chinese population, which numbers over 800, is greatly excited over a ruling of the department of commerce and labor by which they are denied the privilege heretofore granted them of going across the Rio Grande to Juarez, Mex., at will to visit their "cousins."

The former inspector in charge at the port issued permits to the local Chinamen, especially the native born element, allowing them to go to and return from Juarez at will. When Theo. F. Schmuckler came here to take charge he could not find any warrant of law for such action, but on the contrary was of the opinion that it was a menace to the work of his force, and that it might have some injurious results in connection with Chinese smuggling since the permits might be transferred or the local Chinaman could at least furnish some palpable pointers to the fellows on the other side of the international boundary. He declined to issue any further permits and asked the department for advice in the matter.

The Washington authorities have sustained his temporary ruling and ask that the procedure be made permanent.

### MRS. BRYAN'S GIFT.

Makes Donation of Five Hundred Dollars to Baylor University.

Waco, June 10.—Mrs. W. J. Bryan has given Baylor university \$500 to be invested by the trustees, the interest to go to some "deserving and poor girl, to pay part of tuition while a student."

B. C. Crane of Sweetwater has also donated to Baylor the library of his father, the late Dr. William Carey Crane, consisting of 1099 well selected volumes. Dr. Crane was at one time president of the institution.

### BODY BADLY MANGLED.

Abdomen of Mike Craden Torn Open and Right Leg Crushed.

Rosebud, Tex., June 10.—Mike Craden was run over and killed by a San Antonio and Aransas Pass train just below the depot here. He lived at Burlington, and it is supposed he was riding the bumpers. The body was badly mangled, the abdomen being torn open and the right leg crushed and torn. The train crew knew nothing of it. The body was found by Clum and Mill Taylor as they were walking from home up along the track. This is the fifth person who has been killed on this road within about fifty yards of the same spot.

### Harbormaster Dies.

Galveston, June 10.—Captain Thomas H. Sweeney, harbormaster at this port, died at the Tremont hotel, age fifty-six. He had been a resident of Galveston over thirty-five years, and was thoroughly familiar with the various details of shipping, having spent his life in that atmosphere. His widow, two sons and a daughter survive him.

## SYMPTOMS THAT INVITE GERMS.

Little Ailments That Should Be Looked After if One Wants to Keep Well.

Anyone who has any of the many symptoms caused by poor digestion should take special care to avoid conditions where disease germs are likely to be present. Extreme thinness is the most common indication of a weak stomach, but any of the following symptoms are also good evidence of stomach troubles.

Uneasiness at stomach  
Acidity  
Water-brash  
Spitting up of food  
Colic  
Sensation of weight or heaviness at pit of stomach  
Sore mouth  
Constipation  
Sediment in urine  
Night sweats  
Headache  
Cold hands and feet  
Pain under shoulder blade  
Pain between shoulders  
Defects of vision or hearing

Confusion of mind  
Flatulency  
Heartburn  
Nausea  
Gripes  
Coated tongue  
Sour taste in mouth  
Diarrhoea  
Dry skin  
Nervousness  
Sick headache  
Congestion of head  
Vertigo or dizziness  
Drowsiness  
Sleeplessness  
Palpitation of heart

These little ailments, which indicate a weak stomach and imperfect digestion, should be looked after by the use of Mi-o-na, if one wants to keep well. A tablet of this remarkable remedy, taken before each meal, will so strengthen the stomach and digestive organs that natural weight will be restored and perfect health and strength regained.

Mi-o-na is so nearly infallible in curing indigestion and the many diseases resulting from a weakened stomach, that a guarantee to refund the money is given with every box, should it not give perfect satisfaction. Ask E. J. Jenkins to show you the Mi-o-na guarantee.

Croup and inflammation of the larynx are instantly relieved and permanently cured by the use of One Minute Cough Cure. This never failing prescription of an eminent physician was given the name of ONE MINUTE COUGH CURE because instant relief has always followed its use. ## CURED

It destroys the disease germ, clears the phlegm and draws out the inflammation, thus removing the cause and curing permanently. One Minute Cough Cure is perfectly harmless, good for children and they like its taste. Prepared only by E. C. DeWitt & Co., Chicago. An ideal remedy for children. Do not forget the name.

## SOCIAL and Club Matters

On Wednesday afternoon at 4:30 Mrs. J. W. Coulter and Mrs. Malcolm Cairnes entertained the Bachelorettes in honor of Miss Elsie Peck of Corsicana and Miss Bessie Lee Williamson of Brenham at the home of Mrs. Coulter. Only the members of this popular club and their guests were invited. Nasturtiums, daisies, and palms were used profusely in the reception hall, while in the barlor daisies, white roses and ferns were used. American Beauty roses carried out the color scheme in the dining room. Forty-two was the game for the hour. Bon bons were placed on the tables. Initial score cards were provided indicating the guests of honor. At the conclusion of the games, Miss Alberta Adams was presented a large bunch of daisies tied with ribbon as a consolation. Miss Loula Coulter presented to Misses Peck and Williamson enameled silver pansy pins. Delicious peach cream and white cake were served.

A merry crowd of young people enjoyed a moonlight picnic on the lawn at Mr. and Mrs. J. H. Suber's handsome new home, near College, Friday evening. Mr. and Mrs. Suber and their daughters gave the guests a hearty welcome, and with music and conversation the hours were most delightfully spent. A splendid repast was spread and at the conclusion another treat was in store for the crowd. Mr. and Mrs. Suber had prepared cream and cake, and from the way all seemed to enjoy it, they certainly appreciated the kindness. The party included Misses Wilson, Parks, Allen, Johnson, Batte, Coulter, Price and Peverly; Messrs. Farley, Chatham, Whitehead, Stevens, Hunter, Dr. Lawrence and Dunlap. Mr. and Mrs. W. S. Howell were the chaperones. Misses Wilson, Weeden and Board spent a few days most pleasantly as guests of Misses Suber the past week.

Miss Maggie McDougald welcomed the Bachelorettes at the pretty home of her parents, Dr. and Mrs. N. M. McDougald, Friday afternoon, in honor of Miss Bessie Lee Williamson of Brenham, Miss Elsie Peck of Corsicana and Miss Clifline Blake of Houston. The color scheme was carried out in pink and white la France roses, and daisies. Refreshing mint julep was served to the guests as they arrived by Miss Peck and Miss Williamson. Six tables were arranged for forty-two and six games were enjoyed. Miss Hattie Ray Harbers was presented the club prize, a box of stationery, while Miss Clifline Blake captured the guest prize, a silver hat pin with the letter B engraved upon it. The booby, a bottle of toilet water, fell to Miss Louise Harris. A refreshing course of cream and cake was served. Miss Maggie was ably assisted in entertaining by her mother.

The Needle Work Club met with Misses Lynn and Adelle Raynor Friday afternoon, at the home of their parents, Dr. and Mrs. Paul M. Raynor. Forty-two and croquet were the amusements, fancy work being discarded for the time. Pretty little sun bonnet girls were the score cards, and the games were scored with needles. The first prize, a handsome dresser cushion, was captured by Miss Lucille Batte. Miss Ruby Connelly was consoled with a pretty book mark. Peach cream and cake made a dainty refecton. The Club will meet next with Miss Lucille Batte.

Mr. and Mrs. John M. Caldwell gave their children a delightful party Monday afternoon, the occasion being in honor of Misses Mary Rhodes and Ida Bell McCoy of Franklin, who were guests at this hospitable home. The pretty lawn was the scene of an animated gathering. About thirty-five children romped and played in childish glee, heartily enjoying the games provided, and all were royally feasted on cream and cake; and when the all too short afternoon came to a close reluctantly took their departure, tired but supremely happy.

Capt. H. H. Sargent entertained the senior class and band and President Houston at a stag smoker Thursday night at College. The festivities were held at the mess hall and greatly enjoyed.

Hops were given by a number of young men of the city on Tuesday and Thursday nights at the armory, complimentary to visiting young ladies, of whom there are a number in the city.

An impromptu stag dance was enjoyed by students of the A. and M. College at the Chemical building last night.

Stewart Seriously Ill. Chattanooga, Tenn., June 10.—Gen. A. P. Stewart, ranking officer of the Confederate army, is seriously ill at Bladen Springs, Ala. He is the resident member of the Chickamauga park commission, and has had many honors shown him, as he made a brilliant record during the Civil war, and is now the oldest survivor of that conflict. It is said that he will not recover.

Cut Terrible Gash. Roswell, N. M., June 10.—Thomas Emery accidentally cut himself, inflicting a terrible gash in the abdomen.

## MORTON CHOSEN.

Elected Chairman Board of Directors Equitable Life Assurance Society. New York, June 10.—Paul Morton, who retired as secretary of the navy on June 1, has been elected chairman of the board of directors of the Equitable Life Assurance Society. His election marks the end of one of the reorganization of the society, and was followed by the tender of the resignations of President Alexander, Vice-President Hyde, Second Vice-President Tarbell, Third Vice-President Wilson and Fourth Vice-President McIntyre. The new chairman did not consent to take office, said Senator Depew, until he had received positive assurance that he would have a free hand as to measures and men.

Mr. Hyde "divested" himself of the authority, but, as made clear in his letter to the board, retains a material interest in the society. All the resignations submitted to the meeting are subject to the pleasure of Chairman Morton, and none have been accepted. Just what action Mr. Morton will take as to the resignations was not disclosed, but it was strongly intimated that President Alexander and Vice-Presidents Tarbell, Wilson and McIntyre retired with the belief that their relations with the Equitable had ended.

The interests to which Mr. Hyde disposed of his stock number some two-score, led by Thomas F. Ryan, vice-president of the Morton Trust company, which has close relations with the Mutual Life Insurance company one of the Equitable's principal rivals. Mr. Ryan is said to be heavily insured in the Equitable, as are many of the others who acted with him in the purchase of the Hyde holdings.

The price paid for the Hyde estate stock, which is to be trusted practically in perpetuity, was not disclosed but estimates vary from \$3,500,000 to \$5,000,000.

In addition to this, 527,527 shares held by the Hyde estate, which belongs to the widow of H. B. Hyde, the founder, and his brother, is held by administrator, and it is these referred to as "substantial," which Mr. Hyde retains. Mr. Undermyer makes this statement in relation to the Hyde interests. He has, since the beginning of the controversy, acted as Mr. Hyde's counsel.

## LIKE BOMBHELL.

President's Course Termed Triumph of the First Magnitude.

St. Petersburg, June 10.—The text of President Roosevelt's personal appeal to the sovereigns of the warring countries to arrange a meeting of plenipotentiaries for the purpose of agreeing on terms of peace, which arrived here Saturday morning, rent the veil, and for skeptics at St. Petersburg who refused to believe President Roosevelt's efforts to bring the belligerents together could succeed it came like a bombshell. President Roosevelt's sole purpose to bring about a meeting has been achieved and now it is merely a question whether the results will be peace for "which the whole civilized world will pray." It is a diplomatic triumph of the first magnitude, and diplomats here make no attempt to conceal their admiration of the new world brand of diplomacy, which acts while the remainder of the world thinks.

## ALFONSO DEPARTS.

King of Spain Apparently Thoroughly Enjoyed His English Visit.

London, June 10.—King Alfonso left London for Spain Saturday morning. He apparently thoroughly enjoyed his visit and the character of farewells testified to the cordiality of the feeling of hosts and guest. King Edward, Prince of Wales and Duke of Connaught accompanied the Spanish king to the railroad station, where he met the Spanish ambassador, Senor Polo de Bernabo, the rest of the Spanish embassy, Foreign Secretary Lansdowne and others. As the train moved out of the station King Alfonso stood at a window waving farewells to members of the British royal family, who stood bareheaded until the Spanish king disappeared from sight.

It was necessary to amputate both of the girl's legs, and physicians say she can not recover.

## Slew Former Wife and Man.

Memphis, June 10.—A Commercial Appeal special from Aberdeen, Miss., says: Harvey Balding has shot and killed his divorced wife and Harvey Hill near Gibson, Miss. ## HORNSBY DISCHARGED.

Case Against District Attorney Moore Postponed Until Saturday Next.

Austin, June 10.—Judge Jno. W. Hornsby, county judge of Travis county, was honorably discharged of the charge of contempt of court by Judge V. L. Brooks in the Twenty-sixth district court, the contempt growing out of the selection of a jury to try the bribery case of John H. Kirby et al. in which Hornsby was charged with having influenced the selection of a jury. Judge Brooks in his opinion, which is ten typewritten pages, carefully reviews every phase of the case and then concludes as follows: "In my opinion the ends of justice have been substantially satisfied by the investigation made, and the respondent as a sensitive and honorable man, has already suffered more than merited punishment for the indiscretion. I therefore, hold that the respondent (Hornsby) is not guilty of the contempt specified in the complaint, or of any contempt involving dishonorable conduct. I further express the opinion that he is guilty of no intentional contempt whatever."

The case against District Attorney Moore on a similar charge as that against Hornsby, which was set for Saturday morning before Judge Brooks, was postponed until next Saturday morning on account of defective service.

## In Regular Form.

Waco, June 10.—County Judge Baker decided he had no jurisdiction in the case of H. Fabian, manager of the Waco Baseball club, charged with conducting a place of Sunday amusement. The case came up on habeas corpus from the justice court, where Fabian was fined in two cases. He will have to appeal the case in regular form to county court.

## McNeill Fatally Hurt.

Georgetown, Tex., June 10.—A telegram from Saratoga, Tex., states that Captain W. P. McNeill, collector of the Texas agricultural exhibit at the World's fair and well known all over Texas, was seriously hurt Saturday morning. He will die. Mrs. McNeill and son, James, left immediately for Saratoga.

## Methods Improved.

Tokio, June 10.—General Linevitch is reported to be at his headquarters at Fenghuai, busily engaged in personal inspection and direction of his troops for the purpose of strengthening his line of defense along the Manchun-Kirin line, evidently expecting a Japanese onset. Russian methods of making reconnaissances in force are said to have been remarkably improved. They have ceased to be deceived, but owing to the Russians overfaithfulness to text book orders they are still placed at a disadvantage their movements being anticipated by the Japanese, who prevented them from realizing results commensurate with the amount of sacrifice.

Burton, on the charge of conspiracy and obtaining money under false pretenses, resulted in their acquittal. Young was remanded into custody pending trial on charge of embezzlement.
